

Developing Cultural Competence Virtual Exchange

June 22-25

Join students in Saudi Arabia and the USA in an intensive online exchange about cultural competence.

Open to the global partners of NC State University

Earn GTI's DCC Student Certificate

Take your virtual learning global and earn a certificate while exchanging with students around the globe during this intensive e-learning course which teaches participants to:

- Identify the ways in which culture influence their worldview
- Identify their own cultural preferences and have the tools to understand the preferences of others
- Promote cultural awareness in personal and professional settings
- Implement strategies for working effectively across cultural difference

Day 1: Introduction and Foundations for Developing Cultural Competence

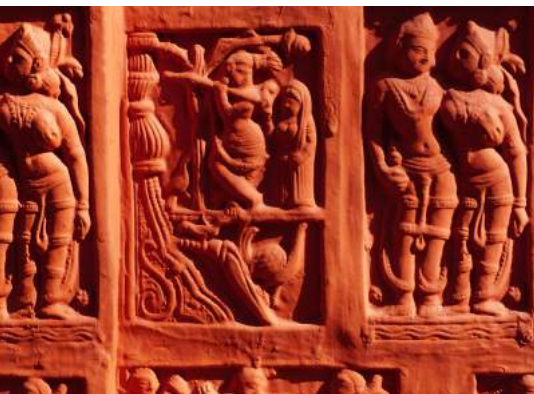

Day 2: Developing Cultural Knowledge

Day 3: Honing Cultural Skills

Day 4: Reflection and Retention

Independent work ~ 2+ hours per day

Live group video chat ~ 1+ hour per day, time TBD based upon Global Time Zones of participants
