

Special Seminar on Project Management

Sharing the project story from the field experiences

ASEAN-Korea Cyber University Project

Do you know how to design and implement your own project?

The online seminar aims to bring an opportunity to learn the methodology of project design and implementation through the tangible story of a project practice and its challenges. The special seminar will invite a guest speaker from the United Nations APCICT to share their experiences of the multinational project in Asia.

1st Session: December 3, 2020 (Thu) 13:00-14:30

2nd Session: December 17, 2020 (Thu) 13:00-14:30

@ via Zoom

Language: English

Admission free

For students and staff of Nagoya University only
