

Interdisciplinary Research Communication (online) with the doctoral students of Chulalongkorn University

We are recruiting five doctoral students from Nagoya University, one from each of five graduate schools.

We look forward to your active participation!

Date: December 8th (MON) 15:00-17:30 (Japan Standard Time)

Language: English

Objective:

- By interacting in English with students from different academic fields at an overseas university, participants will deepen their interdisciplinary understanding and broaden their international perspectives.
- By networking with students from different research fields at an overseas university, participants will explore the potential for future interdisciplinary collaboration.

Schedule

Approximate time	What to do
15:00-16:45	Presentation about research by 10 students, followed by Q & A and comments by faculties from both universities
16:45-17:30	Small Group Discussion (Career plan, Different academic environments faced by doctoral students in the two countries, Research, etc.)
